Please read the following statements carefully and initial in the boxes.

Please read carefully	Please initial
1. I would like my child to be considered for enrolment at Dianella Secondary College Education Support Centre (DSCESC).	
2. I understand that I am entitled to enrol my child in my local high school.	
3. I would like to be considered for enrolment at DSCESC rather than at my local high school. I feel that DSCESC will provide a more appropriate educational program for my child.	
4. I understand that I am able to change my mind and enrol my child in my local school at any stage in my child's schooling, if this is what I would prefer.	
5. Funding is allocated to all students with identified disabilities regardless of the setting. One-to-one tuition is not usually provided at DSCESC, although all students do receive additional help from education assistants both in and out of the classroom.	
6. I understand that there is a bus service available for students attending DSCESC. Parents have to apply independently for the bus, and it is the responsibility of parents/carers (not the school) to communicate with the bus company and bus personnel. This service is not controlled by the DoE WA but by the Public Transport Authority. There is no guarantee that my child will get a place on a bus, even if we live in the area covered by the buses. I therefore confirm that I <i>will</i> be able to transport my child to and from school if the bus is not available.	
7. I am aware that the classroom cohort may change from each term/year to the next, depending on school operational needs.	
8. DSCESC adheres to the WA curriculum and that each student will receive an individual education plan and an individualised report each semester.	
9. I understand that DSCESC may have to obtain more information about my child in order to make a decision about this enrolment.	
10. I understand that submitting this application does not guarantee my child will be offered a place at DSCESC.
